SUMMARY OF RULE CHANGES for 2002

The NAIA will follow the NCAA rules with the exception of unlimited substitutions. The NCAA adopted changes for 2002 are as follows:

1. The use of the pursuit rule allowing players to retrieve a ball that has crossed the centerline outside the court under certain circumstances.
2. In a deciding game, teams must switch sides at eight points.
3. Expulsion or disqualification of a player results in a loss of rally (point for the opposing team).
4. Net sleeves will be allowed on the top of the net with adequate securing devices.
5. Games will still be played to 30 points for games one through four, and to 15 points in the deciding game.

The committee adopted the libero as a designated back-row player who cannot serve, attack or set inside the attack line.

With unlimited substitutions, the NAIA coach has the option to use the libero or not.
